Aspen

	Size	Price
--	------	-------

Quaking Aspen	1½"	
----------------------	-----	--

(<i>Populus tremuloides</i>)	1¾"	
	2"	

The Quaking Aspen is well known for thriving in cold climates and poor soil... but it's also a brightly colored tree with many desirable characteristics. Bright yellow leaves in the fall- stunning against its white bark. The oval shape on its long narrow trunk is a pleasing sight from any viewpoint. Delicate green, heart-shaped leaves flutter and tremble in the breeze. Height: 40-50'; Spread: 20-25'; Zones: 2-6; Growth Rate: **Fast**

Birch

	Size	Price
--	------	-------

River Birch	6/8' clumps	
--------------------	-------------	--

(<i>Betula nigra</i>)		
-------------------------	--	--

The cinnamon-colored, exfoliating bark of the River Birch is spectacular in the winter. Lustrous, medium-green leaves that turn a golden yellow in fall. Resistant to birch borer. Tolerant of wet soils and very heat resistant. Avoid very alkaline soils. Height: 40-70'; Spread: 40-60'; Zones: 4-9; Growth Rate: **Moderate to Fast**

Height: 15-20'; Spread: 10-15'; Zones: 5-8; Growth Rate: **Moderate**

Shipping

All trucking charges are C.O.D. and payable direct to the contract haulers driver unless previously arranged to be prepaid.

Barr Evergreens does not guarantee delivery schedules. Any disputes over delivery delays or schedules must be reported directly to the trucking company involved. Most trucking companies allow up to two hours for unloading. If additional time is required to unload, you may be charged for it at the rate used by the trucking company involved. You will receive a call from our shipping department approximately 24-hours in advance of delivery. We also encourage the trucking company drivers to call in advance of delivery but cannot guarantee these calls. As always, we strive to keep freight charges as reasonable as possible.

Pickup Orders

Customers may schedule their own trucks for their order. However, pickup orders must be scheduled in advance with our shipping department. When picking up a load be sure to bring tarps or suitable coverings to protect the plants in your truck. Even a short trip without proper cover can dry out or burn nursery stock.

Our shipping dock hours are: Mon.-Fri., 7am-4pm unless special arrangements are made in advance.
